### The Truth Agenda

#### Making Sense of Unexplained Mysteries, Global Cover-Ups and 2012 Prophecies

Andy Thomas

Thomas explores some of the most famous unexplained mysteries and global cover-ups of recent history. UFOs, the pyramids, psychic phenomena, crop circles, and visions of the future appear to have more connections than are being admitted to with popular conspiracy theories concerning the Moon landings, 9/11, the War on Terror and claims that the world is secretly run by a powerful ruling elite.

### Towers of Deception

Barrie Zwicker

This book is about how the news you hear is not always true. The book is backed up throughout by facts which have been carefully researched. Several carefully researched books have exposed the official story of 9/11 to be a terror fraud. Yet the mainstream media have failed to ask even elementary questions about the contradictions. *Towers of Deception* explains why this blackout exists. Includes free DVD titled: "The Great Conspiracy: The 9/11 News Special You Never Saw".

### The Settlers of Catan

#### A historical novel based on the boardgame "The Settlers of Catan"

Rebecca Gable, Translated by Lee Chadeayne

*One of the world's most popular strategy boardgames brought to life in vivid detail by Germany's bestselling historical fiction writer.*  
The year is 850. In the seas of northern Europe, the small coastal village of Elasad falls prey to marauding neighbours. Their food stores pillaged, women and children stolen, livestock destroyed, the villagers are left to barely survive the harsh winter - and contemplate a drastic solution to their recurring hardships: leaving the only village they have ever known. Foster brothers Candamir and Osmund lead their people on an epic quest to a mythic island home. Lost at sea and set adrift, an extraordinarily violent storm washes them ashore the island famed in pagan lore: Catan. They quickly set about building a new society but old grudges, animosities, and social orders lead to fraternal strife. As the ideals of Candamir's Christian slave spread throughout the village and conflict with pagan law, the two belief systems clash. When both Osmund and Candamir fall in love with Siglind, the mysterious queen of the Cold Islands, things come to a head.
