

Ringling Cedars of Russia

By Vladimir Megré

The Ringing Cedars Series, published by Ringing Cedars Press, is a nine-book collection by Siberian trader Vladimir Megré that chronicles the life of Anastasia, a mysteriously powerful woman who has inspired millions of readers worldwide to cast away their old lifestyles in pursuit of a purer existence.

The books are full of *practical* wisdom grounded in ancient knowledge passed down through Anastasia's lineage and contain a wealth of information on improving one's existence and on living in communion with the Universe.

The *Ringing Cedars Series* has sold well over 11 million copies worldwide.

Dr. Leonid Sharashkin:

“After translating the *Ringing Cedars Series*, I did not think I would be moved to translate anything else in my life. But the moment I opened *The Art of Soaring*, I knew that I must make it available in English. I had not experienced such a strong urge to bring new information to the world since I discovered *Anastasia*. *The Art of Soaring* and *The Power of Luck* have produced such a powerful change in my life that I stand by them as much as I do by the *Anastasia* books.”
